

Stoborough Heath 2¼ mile walk

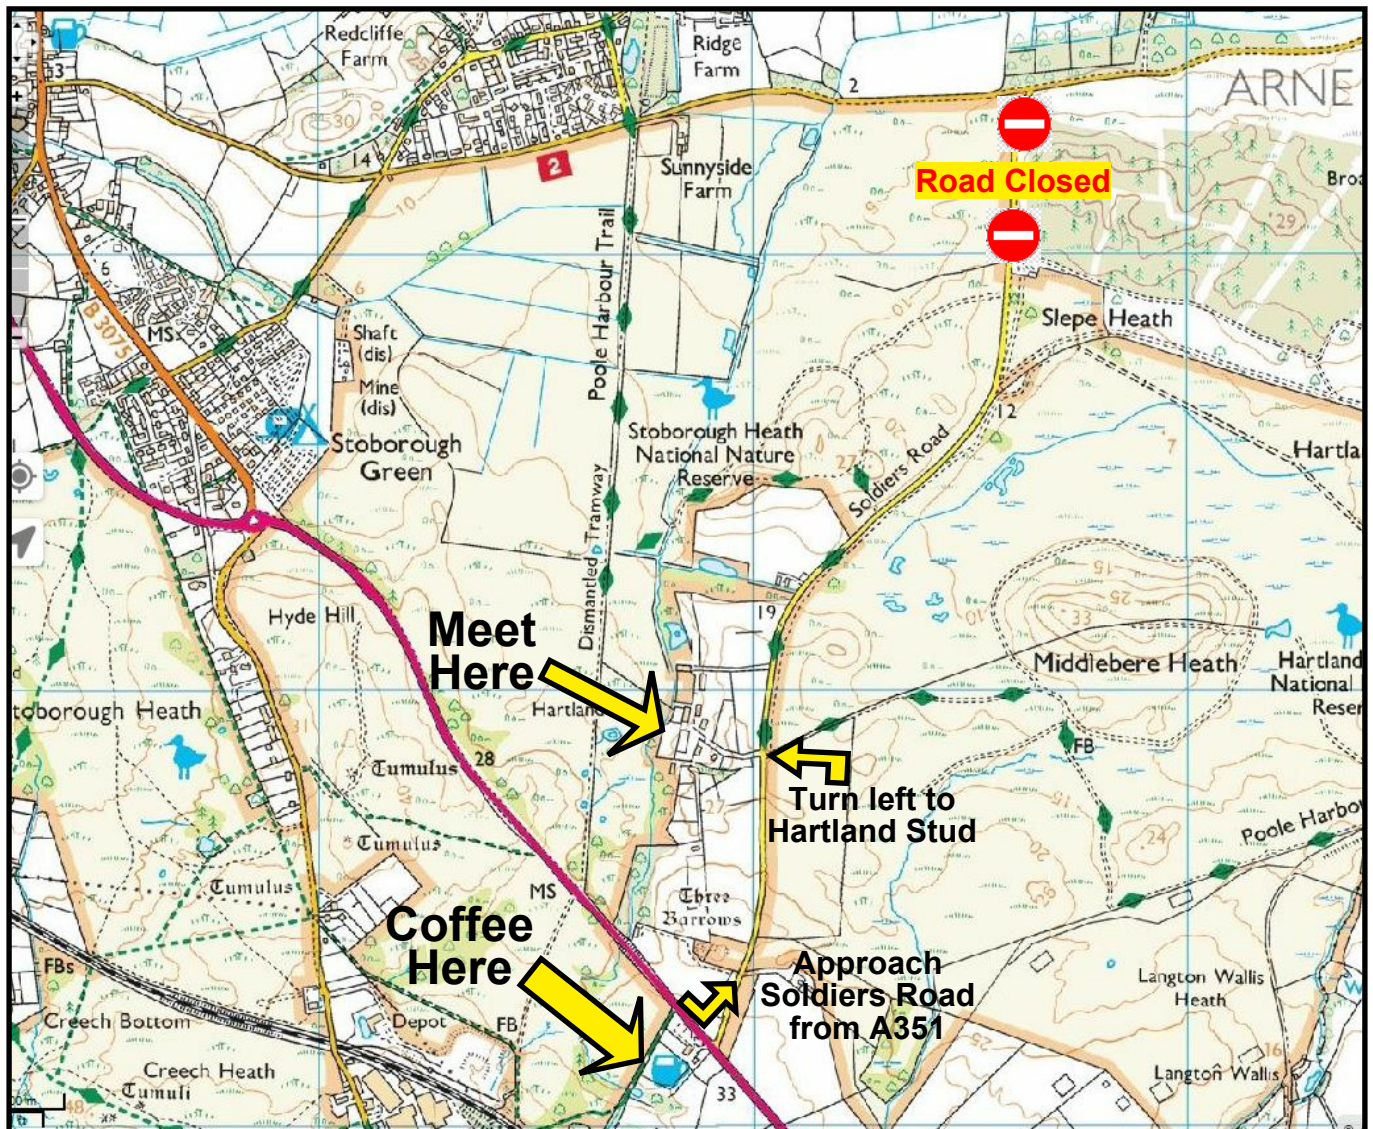

Special Walk Arrangements for 7th October 2025

Meet at Hartland Stud car park, off Soldiers Road

Coffee after the walk at the Halfway Inn, Nordon

What3Words: /// positions.kilts.prettiest

The route, starting point and coffee location have all changed this year due to the closure by SSE of Soldiers Road at the Arne Road end (see map) plus The Kitchen café is closed because of lack of power caused by replacement electrical line works.

Please arrive at the Meeting Point by driving along the main A351 from Wareham and turning left into the 'other end' of Soldiers Road. Hartland Stud is down a narrow lane about 500 yards on the left. The car park is right at the back of the buildings where we have special permission to park while on our walk.

The Halfway Inn is now under new Hall & Woodhouse management and they will be welcoming us for coffee, hopefully in our own 'private' room. Lunch is an option afterwards. Note: Please take great care when crossing from Soldiers Road to the pub entrance across the busy A351.
