

Tyneham - Gad Cliff & Worbarrow Bay

What3Words Location: /// laws.processes.reflect

Meet at Tyneham car park (£2).

Full walk is 2¼ miles long and starts with a steep uphill zig-zag path. Fantastic views from the top of Gad Cliff. We follow the Southwest Coastal Path which descends very steeply to Worbarrow Bay from where it is an easy return along a track to Tyneham.

Short walk: To Worbarrow Bay and back along track to Tyneham only (about 1½ miles)

Bring a walking stick, walking boots and coffee to have in the car park afterwards.

*Please Note: This is one of our more strenuous walks - not for walkers with heart or knee problems!
Strollers will keep to the lower route to Worbarrow Bay, returning along the same track.*
